Staff Training

This has been an exciting month for staff training. Many staff attended 'Imaginative Practice for 0-3' and 'Forest Schools Training'.

Imaginative Practice supported our philosophy that children learn from unformed objects and not plastic 'toys'.

Forest School enables children, young people and adults to enjoy the outdoors in a supportive environment whilst providing a unique, active learning experience. We are hoping to invite Chris Miles (the presenter) to come and speak to parents and staff here...
