Parents Newsletter – May 2007

Dear Parents,

I am delighted to write to you on this very beautiful May Day as the children in the garden are learning how to weave their way through the maypole (held up by Jane).

Eco / Healthy Schools Event

Thank you so very much for all your support. It was a beautiful day.

We owe special thanks to:

Tina for the wonderful recipe books;

Clare for paper making with the children;

Philip for storytelling with the children;

Gillian for delivering our invitations to the local residents

Your support made the day a success...thank you.

The aim of the day was to raise awareness of our eco/healthy school philosophy and this was achieved. The added bonus was that we made more than £200 which we will spend on eco-friendly products and a gazebo. So thank you all so very much again for your support.

Absence Call

Thank you for your continued support of this system. Working well, it does streamline processes for us. At times human error does cause problems and I apologise for that.

Transition Records

Transition records have now been written for all our children who are going to school. All parents (of children going into primary one) will be invited to write their comments in the transition record. After your child has had the opportunity to contribute to this record they will then be forwarded to their primary school.

Annual Data Check

Thank you to everyone who has completed the annual data form. Can I please remind anyone who has not completed their form to do so as quickly as possible and hand this in to Amie?

Dates to remember

May 21st Victoria Day (public holiday)

May 22nd In-service day.

I would like to wish all those in the centre community and extended community all the best for this term.

Yours faithfully

*Lynn McNair
Head of Centre*
